What Are "Wishes" in Language Learning?

In English, "wishes" are expressions used to convey desires, regrets, or hypothetical situations, often about the present, past, or future. They enable speakers to articulate what they would like to happen differently or express regrets about what cannot be changed. For example:

- I wish I had more time. (Expressing a present regret)

Mastering wishes is fundamental because they are pervasive in everyday communication, from casual conversations to formal discussions.

The B2 Level and Its Significance
